London, UK, 24th of October 2013 – Forward thinking label, publishing group and talent scouts ‘sinnmusik*’ present another promising producer in Kassel based **Georgi Barrel**. With his roots set in Hip-Hop production, Georgi’s debut EP ‘**Ghetto Dinner**’ is a pack of roughly forged House grooves peppered with dusty percussion and soulful vocals.

Listen: <https://soundcloud.com/sinnmusik-1/sets/sm008>

Ghetto Dinner creeps forwards with frayed hanging swinging over swelling soft-synths and a potent 4/4 kick. Sidechained strings pulse above bluesy vocal chops that punctuate dips into a complex and floor-ready bass-line.

Der Schmeisser adds to a solid back catalogue of releases working alongside **Der Tietz** on their interpretation of Ghetto Dinner. Plunging deeper still, their remix grows as a dense low-end pulse wades through a thickly spread synth drone. Percussion layers gradually with a climbing motif and breathing sweeps escalating tension throughout.

The Moody Lover feels slightly more boisterous from the outset with a rising keys motif holding the focus as shuffling ride cymbals decorate the corners of the mix. Rough hats and a crunchy clap build towards a floor-filling vocal line guaranteed to do the business.

Fellow sinnmusik* sibling **MusikMogwl** and **Adrian’s** collaborative remix of **The Moody Lover** dims the lights on the original slightly by planting a ferocious sub under sharpened hats and sportive low-end synth lines.
