“Love them all! Also great remix, very dubby and chilled out!”

Posivision (Magazine)

“Funky”

Igor (Ibiza Sonica / Radio)

“nice one. thanks!”

Kody Monroe (Beagle Traxx)

“the lead track is a beautiful slice of melodic chill out cake that leaves you wanting seconds. luckily the remix offers up a even tastier plate then before. keeps with in the originals ideals but does it a bit better in my opinion.

Love the constant groove of the second track which is complemented by a lovely little drop. support for sure on this thanks guys”
