London, UK, 2018 – Riga based **Will Sonic** joins the **sinnmusik*** camp with his 2-track 'Garage Grooves' EP.

Both originals draw inspiration from 90's House and Garage movement and came together with a clear focus for the dancefloor.

In the remix department we welcome back **Toefflinger** from hiatus, who gives us a a jacked up and sub-level heavy version of the title track. Melbourne (AU) based duo **&on&on** take the House-Edit approach for **Garage Groove #1**, whilst label mainstay **Trepid** goes wild on his Dub interpretation of **Garage Groove #2**.

All-in-all a well-rounded set with flavours and grooves for all likes.
